STILLNESS

WHAT'S IN THE GARD?

THE MAGICIAN - You have the tools to do anything, mind to you set your mind to.

STRENGTH - Look into the mouth of the lion. You have the problems head on to face your problems head on.

THE EMPEROR - You rule with your mind, not your heart.

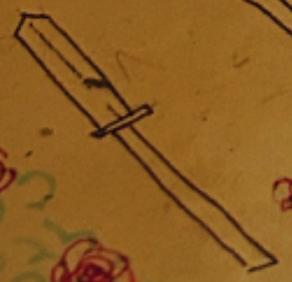

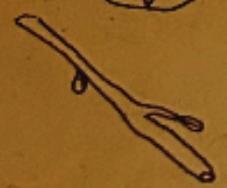

KNIGHT & CUPS - You are charismatic and romantic - but you can be self-centered and manipulative.

THREE of WANDS - A new journey is ahead of you.

SEVEN of WANDS - You attack many problems, all on your own.

THE STAR - You are reborn.

JUDGEMENT - You will be saved.

TOGETHER

Grades are false measurements
of knowledge.

Some people are bad at
testing and get bad grades.
They can't obtain a degree.
This is not fair.

STILLNESS

WHAT'S IN THE CARDS?

THE MAGICIAN

- You have the tools to do anything you set your mind to.

STRENGTH

- Look into the mirror of the lion. You have the fortitude to face your problems head on. You will win.

THE EMPEROR

- You are charismatic and confident. You can be self-centered and manipulative.

THE KNIGHT

- You are a warrior. You are not afraid of combat. You are self-centered and manipulative.

THREE OF WANDS

- You are looking at many problems. You are not yet ready to act on your own.

SEVEN OF WANDS

- You are being challenged. You are not yet ready to act on your own.

THE STAR

- You are being inspired. You will be saved.

JUDGEMENT

- You are being judged. You will be saved.

The swordsman and his Seire Pass by the glowing eyes each night on their way back to their sight they never let him out of their sight
Rumor says he lives behind the waterfall if you seek him out your fate is grim
But he's really not evil at all
Just no one bothered to ask him

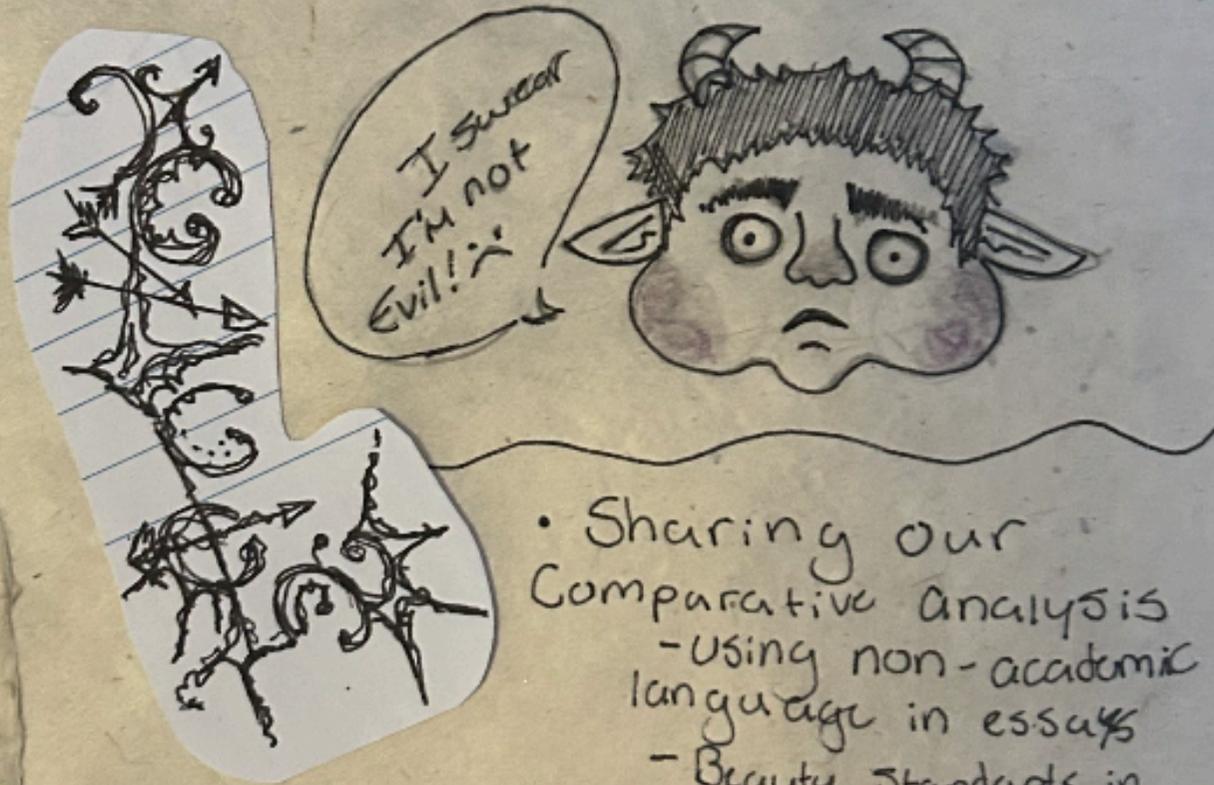

I swear I'm not evil!

Sharing our Compulsive Analysis Using non-academic language in essays - Beauty Standards in the US vs. Europe - Doll in a dollhouse (plus g-zoo) - Recap - Ted Talk by Stella Young - About - Inspiration Porn! - Recap - Part two of the - Jarmaine bibliography - Met - Zine - Together - MIA - Questions

The swordsman and his Squire
Pass by the glowing eyes each night
on their way back to their spire
they never let him out of their sight

Rumor says he lives behind the waterfall
if you seek him out your fate is grim
But he's really not evil at all
Just no one bothered to ask him

Annotated Bibliography

An Annotated Bibliography is a list of sources where each citation is followed by a brief summary and evaluation of that source.

how it relates to your research topic

"Fortunately, there's not a lot here to shake down, adds another longtime resident, George Wheeler. "You practically have to go out of the county to find an elevator."

MLA

Citation

Uneasy border between the Pacific and North American

plates—sliding each other in northern and southern California but ramming into each other in L.A.—the San Jacinto Fault stretches 750 miles. The fault, which spans smaller ones, is one of California's most prolific earthquake zones: the Imperial Valley in the south and the Mendocino Plateau Junction in the northwest.

Citing an entire book

Lastname, First name.

Title of book (italics).

Publisher, Year of Publication

Ex:

Preston, Natasha. *The Cellar*. Sourcebooks Fire, 2014.

MANIFESTO

MANIFESTO

- a written statement on what a person or group stands for and how they will enact change

- can take any form — essay, zine, handbook...

"What are you ending, and what are you starting?"

1 Make it known

"Public declaration of your intentions"

2 Have clear intentions

3 Have a declaration

the opposite of a description
and "this ends, this begins."

MANIFESTO

Latin

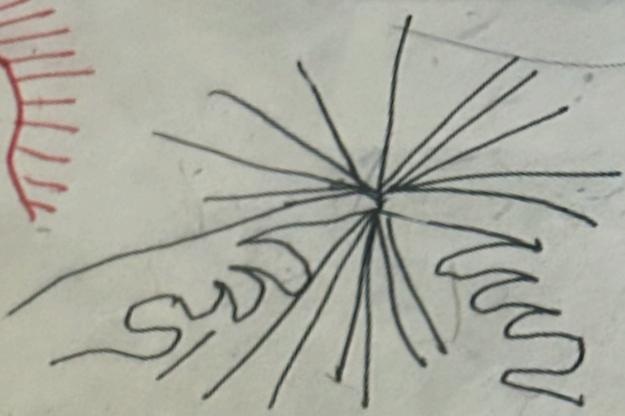

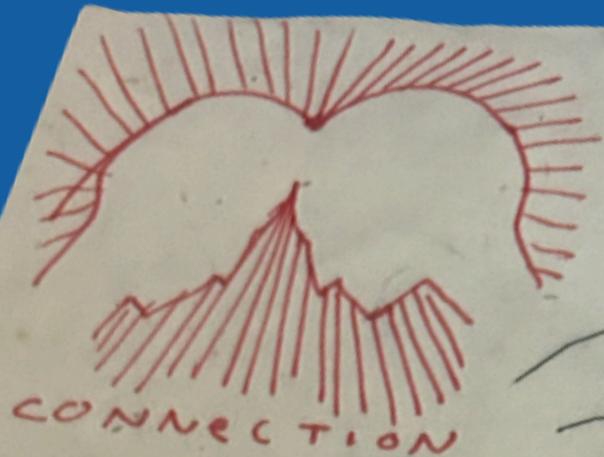

"to manifest"
to make visible, known.

Not observing —
Declaring change

DO
WHAT
YOU
CAN'T

Something you want to share.
Something you want to say.

everyone wants a better life. ~~everyone~~ wants deeper connections.

why?

why do we hurt each other?
are humans inherently violent?
opposed?

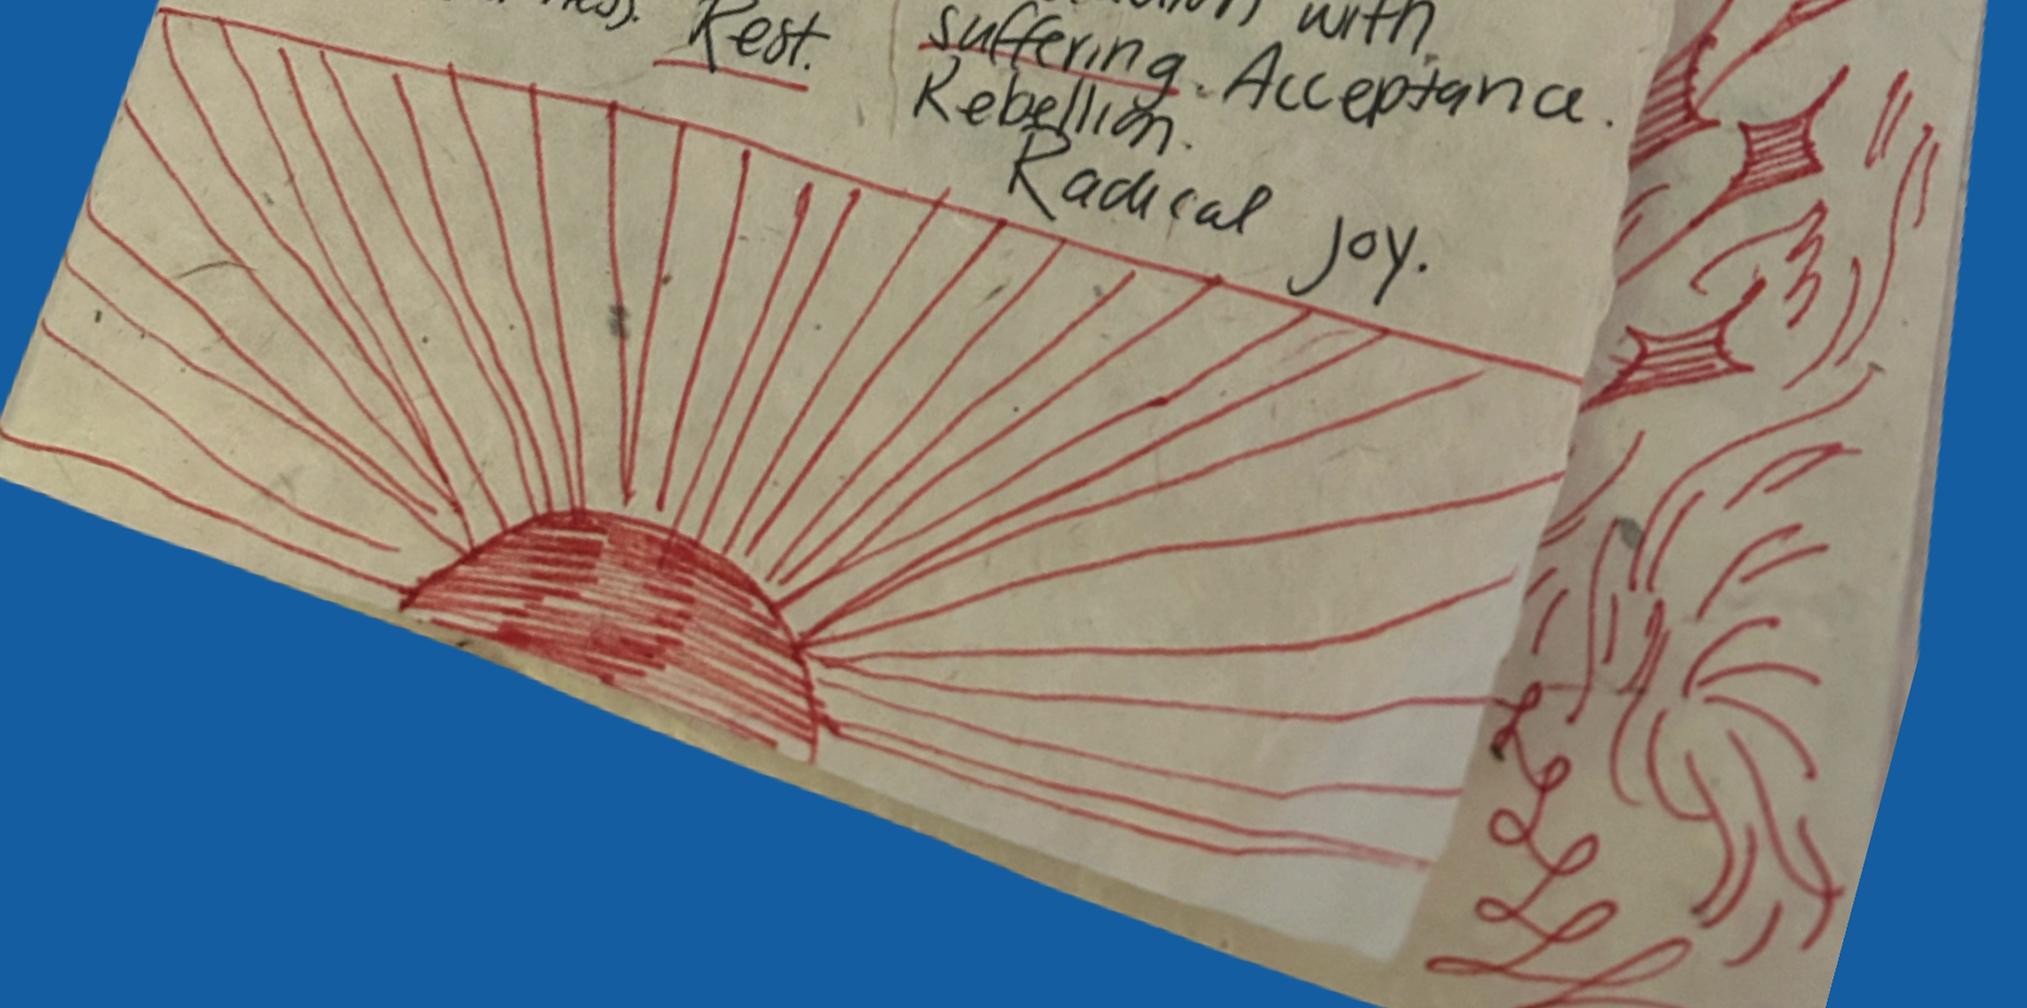

hateful?

or do we all want the same thing?

all religions want one thing — happiness. Empty or full — we all want to feel okay.

Heaven. Nirvana.

The end of suffering on Earth. Satisfaction with suffering. Acceptance.
Peace. Stillness. Rest. Rebellion. Radical joy.
